“ Dear Sharon and Family, We loved Gloria and we shared years of Pathfinder (Youth Club) memories together through the years. Gloria showed us the gift of hospitality many times when she shared her campfire foods with us when we were running a smaller club than her club was. We really loved her peach cobbles from the cast iron cookware baked over the campfire the most! We loved seeing her at all the Camporees and year round functions. She ran a top notch club and was the cream of the crop when it came to leaders! We also enjoyed your personal visits when you brought her to our home during the "storytelling festival" week. We sure will miss those special hugs and smiles from her. We are not saying good-bye to Ms. Gloria instead we are saying, "see you later", Gloria! Jesus will be here soon, dear friends but until that day when the trumpet sounds we will be lifting you up in our prayers! We will also be telling everyone we know how much Jesus loves them and us! Love and Prayers, David and Sandra Holt.

Gloria has been missed from Wel-Life assisted living. I enjoyed sitting on the front patio listening to stories of her younger days. She was a true blessing to us all!
