“ I was one of Greg's Kindergarten and 1st grade teachers at Norwood Park, I'm saddened deeply. He kept me on my toes. My family had the joy of hosting Greg a few weekends at our home. Memories of his energy and his amazing intellect at such a young age makes me smile. He was reading with the 3rd graders as a kindergartener. I was so happy to reconnect with him at Belmont Elementary when he was a 5th grader. He shared some trials and tribulations with me which again showed his outstanding self-reflection for such a young spirit. He brightened this ole' teachers life. I send my love and condolences to his family.
