“ *Hal was with me for a very long time. He was one of the most loyal people I've ever known. Hal was a great salesman. Everyone who met him liked him. He had keys to my business and my house. I trusted Hal explicitly. He had a rough go the last years and I will miss his positive demeanor. He loved his wife and his family and always had a dollar or 2 for a kid raising money. He was always thinking of others. I will miss you, Hal.*

“ *My brother and I always lived separate lives for years. I was always proud of him and the way he lived his life. He had a great family with Rosalie and the boys and I was happy for him to have found them. I hope he is at peace with mom and dad now.*
