“ Inez and Vernon and family were close neighbors in Millard and their daughter, Jody, was our daughter, Jamie's best friend all through high school. We watched Vernon and Inez turn a city lot into a virtual sanctuary, and then they purchased property at Gibbon and started making that another place of beauty, solitude and sanctuary which we visited at least twice (we had moved to El Paso, TX). Very special people that touched our lives deeply.

“ So many wonderful memories at your home in Omaha and then later out at your lake! Campfires, camping, fishing, taxes, we did it all out there with you & Vern. I still make your BBQ sauce, just how you taught me. We will always remember you with so much love.
