“ *I always enjoyed time spent with Greg through the years; playing baseball in the lot across the street from our house, being in elementary through high school with him, and recently visiting with him after church. I always enjoyed his sense of humor! He is going to be missed but leaves so many wonderful memories behind. Prayers and hugs to all of his family. May memories you have bring you comfort today and always.*

Having left Kearney almost 20 years ago, I don't always know about deaths, thus explaining why my comment is late. I enjoyed Greg. I always felt there was just a little (or more) mischievous something just waiting to pop out. I liked that. Of course, I also was impressed with his work and enjoyed his friendship. Our sympathy to the family.
