“ *I just heard this sad news. Jeanne was a senior at KSC when I started college, and I so appreciated her kindness and compassion with new people like me. She was beautiful and bright, and a stately lady. I'm blessed to have known her if only for a short while; she impacted my life in a very positive way. Blessings to family and friends.*

“ *David, We are in Arizona and unable to attend Jeanne's memorial service. Yet, we express our sympathy to you and all of Jeanne's family on her passing. What a bright, lovely young woman we remember; also, we were saddened by her fall many years ago and the harm it did to her fulfilling a vibrant, caring life.*
