

Jeffrey B. Dillon

April 1, 1961 - May 5, 2025

Jeffrey Burnette Dillon, 64, of Hildreth, passed away on May 5, 2025, after a courageous battle with cancer.

Born on April 1, 1961, on Colorado Boulevard in the back of a vehicle, Jeffrey lived life with unmatched passion and energy.

He was known for his boisterous personality, his love for family, and his deep devotion to God. A lifelong Denver Broncos fan, Jeffrey also enjoyed camping, fast cars, loud music, and spending time outdoors. His sense of humor and ability to make others laugh were central to who he was.

Jeffrey is survived by his loving wife, Gail Dillon, who cared for him faithfully through every stage of his illness; his children, Cole Dillon, Quinn Dillon, and Mariah Vohland; and his granddaughter, Ira Dillon Swartwood. He is also survived by the mothers of his children, Julie Eaton and Kathleen Dillon, and his sisters, Linda Andreason, Mary Hart, and Diane Carnahan. He was preceded in death by his parents, David and Jacqueline Dillon.

Jeffrey will be remembered for his big heart, boundless spirit, and love of life. He wanted his life to be celebrated — and we do so now, with love and gratitude.

Go Broncos!

I wish my uncle could have gotten to know me now as an adult and not remember me as a troublemaker when I was a child. He was a good uncle Who was a good father and raised a beautiful family.

Great guy. I met Jeffrey in the Marines - he was just turning 21 and boy did we have fun. Inseparable for 3 - 4 years as roommates, wingmen, and a couple of young doods having a good ole time with no cares in the world. Jeffrey moved back to the Nebraska/Colorado area but we kept in touch and the past year really got into some good conversation. God father of my oldest son. Love you Jeffrey 'B' Dillon! See you in heaven, say hello to Donald!

Jeff was a Marketing Specialist at Southern Public Power District in the early 2000's. He was always very friendly and energetic. I'm very sorry to hear of his passing. My very deepest sympathy to his family.
