“ My deepest condolences to Jim and the Richter family. I was a classmate of Julie's at KCHS. Jeri's heart was so generous and giving to so many. I recall her involvement in her children's events in school and their extra curricular activities. She ALWAYS had a smile that she shared with everyone she met. Although I haven't seen Jeni for 30+ years, I know that the love she shared with her family and friends will continue on through each and everyone. May Jeni's family find comfort, knowing that she is with our Heavenly Father. She will continue to be with each of us.... in our hearts. My Love and Prayers are with you. Deb Jonas Sladky

“ *Jeni and I were first cousins. We were close as kids growing up and even then she shared the best comic book collection of anyone in Kearney.*

She was a year ahead of me in school. In Junior High and High school she always looked out for me and showed me "the ropes". She shared insights on teachers she had before me, shared class projects she had done, and was my "Anne Landers" on the trials and tribulations of a guy's introduction to teen romance.

Jeni was born with maternal instincts and it is not surprising that her entire life was one of loving, sharing and caring deeply for others.

To Jim, children, family and loved ones, my prayer for you is that for now and forever, the day breaks, and the shadows flee away as you become the stewards and bearers of Jeni's gift of love.

“ *My admiration for jeni has no bounds! She was truly one of those amazing friends who was always there....for her husband, family, her friends, her church. Wherever there was a "need" you would often find jeni. She enjoyed time with the grandkids....whether at their school activities, cheering them on in sports, or fixing a quick lunch for them and sharing some "words of wisdom"... and wise she was. She was a perfect example of how to live and enjoy a good life. We love and miss you Jeni, and ask God to bless your eternal happiness. Eileen Frieden*

“ A wonderful lady!!!! I remember how involved she with was with all the activities of her children and grandchildren. I was lucky enough to have taught most of them.

I especially remember a LONG time again when a group of KCHS students were raising money for a trip to Mexico. The Richters were kind enough to hire us to pick up corn in the field after it was harvested. It was so cold! But Jeni was such a loving hostess; she invite us into their home to warm up with hot chocolate and snacks. That's the kind of wonderful person she was.

It has been a treat to see the family together at the GOLD dinner each year. She will be greatly missed by all who knew her.
