Jerry was an active member of the Optimist Club for many years, attaining Lt. Governor status. “ Jerry was one of a kind. We met him when we moved to North Platte and he sold us our house. Through the years I enjoyed working with him and being a recipient of his practical jokes. He always made me smile. My heart goes out to you and you will be in my thoughts and prayers. May God give you peace.

“ My thoughts and prayers are with your family at this time of sadness but joy in reflection of Jerry's full life. I first met Jerry and Linda as a student at Oakland High School. I later reunited in North Platte. My father, Walt Thompson, thought the world of both Jerry and Linda as educators and people. My father was both on the Oakland school board and the State board of education.
God Bless all of the family. A good man

“ Jerry was the "Greatest Care Bear" always looking out for everyone else and was a true friend of the highest kind. Joan and I will always cherish our times together with Linda and Jerry from the years past. It was an honor to know him. I will never forget him carrying my daughter in her wedding dress across the muddy parking lot in Aspen so she wouldn't get her wedding dress dirty. One of many memories I will have of Jerry forever!
