“*Marissa, Jared, Em, Ben and brothers and sisters sending all prayers and healing and hugs. John had a special fun energy with his dancing, singing, hats, and Hawaii shirts. I lived with John and family while doing a 3 month internship in Denver and all welcomed me into their home, Deb’s (butter loaded) yummy bread and meals and would not accept any money. I was in a car accident and John gladly loaned me a car til I could find a replacement. We would go on lil adventures with Jared and Marissa and people would think John and I were the parents and what “cute kids”. Now Marissa is my friend in Denver. I am so grateful John and family are my family. I will miss John’s fun, generous, kind soul on this earth.*
