John was born December 26, 1948, in Mattoon, Illinois. He was the third son born to Thomas and Elizabeth (Jones) Icenogle. He attended Lincoln Southeast High School before obtaining his undergraduate degree from Columbia University in 1971. He obtained his law degree from Tulane Law School in 1974.

In 1974, John moved to Kearney to begin work as an attorney for the Tye Law Firm. He worked as an attorney for two years before being appointed to the Buffalo County Court bench in 1976. He met his wife, Barbara, in 1977, and they were married a year later. They had three children over the course of their marriage, Elizabeth Margot, Samuel Hogan, and John Dayton. John was appointed to the Buffalo County District Court bench in 1990 where he served our community as a District Judge until his retirement in 2016. He was a past president of the Nebraska County Judges Association, Nebraska District

Judges Association, and he was nominated for Chief Justice of the Nebraska Supreme Court.

Loved by many and well respected in the legal community, his family met many individuals that were grateful to him and shared how he changed their lives for the better while serving 40 years as a judge in Buffalo County. He loved golf and could easily spend a day playing 36 holes at a time. He also loved to travel to as many golf courses as he could. John loved his family and always made sure they were taken care of. He loved spending time with his family and friends while golfing, traveling, or preparing elaborate dinners. He leaves, to cherish his memory, a loving wife, Barbara of Kearney; his children, Elizabeth Margot (Matthew) of Kearney, Samuel of Hastings, and John (Mary Rose) of Kearney; two grandchildren, Rollins and John Palmer of Kearney; his brothers, Robert of Springfield, NE and Thomas Edward (Mary) of Littleton, CO.; many nieces and nephews; and a host of beloved family and friends.

He was preceded in death by his parents. He asks that you share a cocktail with your loved ones in his memory.

“ My thoughts go out to Johns family. John was someone I looked up to and it was he who put me on the path to a better life. He wouldn't just sent me somewhere until after we talked. Even after I became an adult and moved away I still kept in touch with John. No more pain your Honor, rest peacefully!

“ I first met Judge Icenogle as a teen at Kearney C.C. He was an avid golfer and I was learning to play golf...he was always friendly and approachable, even though we were from different generations. Later, while attending Creighton Univ. for undergrad, he helped put my legal career in motion and encouraged me to consider Tulane Univ. Law School, where I attended. I have been practicing in New Orleans for 35 years and have told the story countless times about how Judge Icenogle's guidance (and letter of recommendation) set my path for a life in New Orleans. Rest in peace Judge.

“ John was a great Golfer. It was always an adventure going on a golf trip with him. He arranged the courses we played and made sure everyone got to the course in time to practice a bit before teeing off. His presence at the dinner meals was ABSOLUTELY necessary and the meals were fantastic. He will be missed.

“ I went to high school with John but afterwards saw him only at class reunions (I have lived in Ohio for the past 30 years). There are not many people I remember from high school but John was one of them because of his infectious love of life and quick wit. Although I lost track of him in the intervening years, I have to believe that he made the world a better place. I was saddened to hear of his death.

“ I discovered John's death by an email from a high school classmate. I was caught off guard by his death as I was of the death of my husband Jim Carrier when he was 67. Both sudden deaths to me. John was a good friend of both Jim and me and served as our best man when we got married in 1983. Jim would have many memories to share if he could. I am in Washington DC for We the People Nationals and won't be back until the 19th. Barb, I am so sorry I cannot be there to support you, but my thoughts and prayers are with you and your family.

Judge Icenogle contributed much to the betterment of the Nebraska
judiciary and the welfare of our state. Much gratitude for his leadership.
He had a great sense of humor. I still remember him saying a novel
Italian pronunciation of his last name “Ich-a-NO-gley” causing much
laughter at our Judicial education meeting. My deep condolences to his
family, especially son John and spouse Mary Rose and children.

- I join in Judge Randall's comments. John was an excellent judge, a true leader, and an even better human being. He always took the law seriously, but he never took himself too seriously - a man with a fabulous sense of humor.

I served with John on the initial Judicial Branch Education committee .. which took judicial education into the 21st century for all judges (county, juvenile, & district). John's vast experience, innovative thoughts, and common sense benefitted the entire state of Nebraska for decades.

John will be missed, but he left a huge imprint on Nebraska's judiciary. To Barb and family, please accept my, and many judges', condolences.

I was Judge Icenogle Administrative Assistant in Buffalo County District court for about 13 years. I absolutely loved working with the judge. He was kind, patient, and warm. I will cherish many memories I have of the judge talking about his cooking and the husker football games. Many mornings before the day started we would talk about the meals he made for supper or over the weekends. He loved to cook. He was one of a kind. It was a privilege to be able to know him and work side-by-side with him. I will always know him and call him "Judge".

*Many prayers for the Icenogle family.
