“ Joe was one of my students at Grayslake Jr High (now GMS). I remember him being elated when he found out we had a mutual birthday! He was a dedicated, jovial person who loved a good joke, his family and animals. The world will be a little less bright without him. My condolences and prayers to his family.

“ Joe from the bus rides to Lake County Vocational Center, you stopping by on your home from leave from the service. Bar hopping in Kankakee and many hours of phone calls and snap chats. Cedar Point was suppose to be soon, so many sunrises in Zion you were the best older brother. You dated my old best friend and I am forever grateful for your friendship. My prayers and thoughts to your family. You were so proud of your sons and grandkids I will miss the stories . Love ya bro!
