“ *Judy was a beautiful woman, and I loved her dearly. She and all of your family took my grandma, Joy Clark, in and became her family since we all lived far away. You all made Grandma's life so full. I hope Grandma and Judy are dining together today in heaven. Judy will be missed by so many. You all are in our prayers during this difficult time. I love you all.*

“ We are so saddened by the loss of a dear friend and family member. I wanted to express my sincere condolences to her family and many friends. Judy was one of the bravest and strongest women I have ever known. She faced life head on on matter what faced her back. She loved everyone and wanted to include everyone in every part of her life. She would take her kids and any others who might be around no matter what else she needed to do. Having fun with her kids was more important than anything else. She worked hard and never complained as her health became an issue. May we all gain strength in knowing she will no longer feel pain. Her body will be new and strong and healthy. I pray God will wrap his loving arms around her family as they begin to grieve. May we all be reminded of the good memories and faith she had to let God carry her home. Love you Tammy

“ Terry, Tom, Tina, Tammy, Justen and Family;

Your mom meant the world to me. I remember when she fist brought Tammy to my mom to babysit that is when my life long friendship developed with Tammy and Judy as well. I remember so many memories that are all so vivid in my mind, I remember Judy taking Tammy and I in the little red pinto to her moms. Tammy and I would be telling stories and laughing all the way there..Judy would yell at us "quiet down girls" and we kept on laughing. It must not have been to bad because she would invite me back again. My stories I have could go on and on but I'm truly going to miss her. She was a one in a million person. The angels are singing now. Until we meet again! She will be missed. Love you guys!

“ To the Silvers family,

Our sincerest sympathy for your loss. We are praying that God will hold your family in the palm of his hand as he mends your hearts. I've known Judy for a long time, she was a great lady. Judy always brought laughter and fun into every situation and she will greatly be missed. We hold onto the promise that we will meet again in heaven and her legacy will live on in her loved ones. We wish we could be there. Our love and prayers are with all of you.
