“ *Accept my deepest of sympathies during this time. Her warmth, laughter and sense of humor are what I will always remember. We were in the same grade starting at Central and, even back then, Julie possessed a beautiful and kind heart. 🙏*

“ *Julie, you meant the world to me. You took your role as Godmother to heart by giving so much love over all these years. I'll never forget running up and down your stairs and painting ceramics as a little girl, you hosting my bridal shower, and all of our coffee dates laughing and sharing memories. You were the best of friends with my mom through thick and thin.*

*You will be missed dearly.*

*With all of our love,  
Nikki and Kerri*
