“ To Junes Boys and Family
We have been in Florida and just found out about Junes passing. We are so sorry! I talked to her before we left in September and she said all was well. Your Mom was very special to us and she will always have a very special place in our hearts. We had lots of good times and talks. We are sorry we can not attend her funeral, but know we will be thinking of you all and you will be in our prayers.
