“ SO VERY SORRY about your great loss: June. First met her at DOWN MEMORY LANE many years ago. Enjoyed stopping by to see what she had gotten in since the last time I had stopped. Just enjoyed visiting with her as she was always so pleasant. Am thinking of your family. Sincerely, Jo Morris

“ I was so sorry to hear of June's passing. It had been awhile since we had seen her and had just mentioned that we had not seen her at Menards lately. I had no idea. We are in CO with my elderly father so will not be able to attend your gathering in her honor. Please know that we are thinking of you and the family often, and praying for you always.

“ We spent countless hours with June and Ken when we were younger. One of the times June and I continued to laugh about was one evening when she and I were 'dragging " Central in their gorgeous little red Thunderbird convertible. Of course we caught the eyes of the young guys in other cars. Then out of no where came this voice " Nice Car Mrs. Kantor"!! That quickly brought us back to the reality of our age. We laughed all the way home. LOL
