“ *So sorry to hear of Warren's passing, we were childhood friends and lost contact after high school. I'll always remember his sense of humor and gift of gab, he always left an impression wherever he went. RIP Warren, my sincere condolences to the Rice family during this time.*

“ *Warren's sister, Kelly and I were great friends growing up so I have known Lauren since he was quite young. We lost contact for many years and the last time I saw him was the day before we lost Kelly. He was such a comfort to the family and so very strong for everyone. He will be greatly missed. ❤️*

I don't understand why some families have to endure some much loss in such a short period of time. Your family has been through so much! Please find comfort in God's love and know that your friends are all here for you. Warren Rest In Peace, you were such a big teddy bear!
