“ I met Kenny in 1970 during the winter rush of tires, studding tires, changing ti winter tires and providing service to great customer's. I was proud ti say Kenny was a friend. Then when I was a driver for KVFD, as a captian. We communicated on FB for the few years. My prayers are with all.

“ We are very sad to see Kenny passed away. When I started with MES Kenny truly made the difference in my success with his guidance and support in the fire service business. Kenny was a great spirit full of energy and wit. We will miss him along with everyone that spent any time with him. God Bless the Fulmer Family in the coming weeks.
