“ Dear Kristine, Kevin, Katie, Debbie and Trudy,

Rod and I extend our deepest sympathy and condolences. Words fall short of expressing our sorrow for your loss of our beloved SHEENO.

When we received the call about the passing of Kent I could not believe it.

I now reflect on the GREAT times I will always cherish:

“Band on the run.”

Rolling down the hill at Kearney High.

4-H ... The Buffalo County Fair, Ak-Sar-Ben, sitting with our calves in the barn, and not to forget...a touch of Hollywood in our young lives meeting Roy Rogers and Dale Evans.

R. I. P. my dear cousin, until we see each other again. I Love YOU!

“ Dan and Kent were once a big part of each other's lives for many years. Dan and Mary have thought of him often, with a smile. Our condolences to the family; let your memories lift you through this difficult time. "Thumbs are important." Kent would know what that means.

“ I haven't seen Kent for years, but had the pleasure of hanging out with him often throughout the 1980's. He was just one of those people who you could tell had a good soul. Oh, and he had a great laugh. I can still hear it in my head.

My deepest sympathies to all his family and friends. Rest in peace, old friend.

“ I first met Kent when I was in sales at kgfw radio, I think Kent was working for Parker engineering. My last name was Beshore at the time. I so enjoyed visiting with him when he came into our studio, everyone did, everyone liked him and his easy, friendly way. Kent was always smiling and upbeat, one of those people you loved to see come through the door. My best memory of him is the joy he had when his baby boy was born. He referred to his baby as punkin pie, which is what I called my first son. We had a laugh about that. I was so sad to read of Kent's passing he was truly a bright light with a kind heart. God bless and comfort all of you.
