“ I went to high school with Kevin. I am just now discovering this page, due to finally going through old memories. To find out that Kevin passed away, I am shocked and saddened. You grow up and lose touch with these friends, only to try to find them later and realize they are gone too soon. Kevin was always such a sweet guy and I remember him being so much taller than me, lol. But he was a smart kid and when we did chat, I loved his energy! Kevin, my heart is sad and I hope that you're at peace, but know that many miss you far and near.
