“ *I just came across Jean's obituary. My heart is broken. I'm so sorry for the loss to your family. I know how much she is missed and how much love there is for her. I remember taking her from Lincoln to one of the grandchildrens weddings, it was beautiful. Was wonderful spending the one on one time with her. I loved her so much. I can say she was my favorite. Kent, Kristy, Scott, and Pam, I am so sorry for your loss. I know she and Sam are playing golf everyday and if she has it her way, every Tee off is a hole in one.*

“ *Jean and Sam were our good friends since school days at Kearney College in 1947-48. We kept in touch throughout the years, getting together occasionally, and always treasuring those times. We will miss knowing Jean is there. God bless her passing and sympathy to her family.*

Ive just had surgery and wont be able to attend her service (makes me very sad), but will keep all of you in my prayers. She loved you all so much!!*

“ So thankful to have been friends with Jean and Sam at KSTC 1946-1950 and when we both lived in Lodgepole at the same time. Our first babies were born while we lived there. Our love to all the family.
