“ *Larry was a VERY dear friend of mine. We shared MUCH laughter and good times. We sort of fell out of touch, but he will NEVER be forgotten. I hope you and Jen Jen are out there somewhere having a blast together*

“ *I worked with Larry years ago in Granby on a project Beck Building Company was doing. Larry was doing the carpentry on the house at the time where we spent a lot of time working through the cold winter months. He was always happy, joyful, thankful and dedicated workman. He was a genuine man that could be relied upon for not only getting things accomplished but also to bring a positive and stable attitude to the site. Hearing of his passing brings sadness to my soul but glad I had a chance to know him a little. May you be happy in Jesus' presence Larry!*
