“ *I am so very sorry for your loss. I just learned of Larry's passing in the UNK alumni magazine. I worked at Kmart with Larry many years ago (84-88) when I was at Kearney State. We had a great group of friends that worked there together, almost like family. He was always so friendly and kind to everyone. I often think of him and his purple Pinto! Sending (belated) heartfelt prayers for his family. 🙏*

“ *Larry and I had known each other through common friends. We were both groomsmen for one of those friends. On several occasions, Larry and I would jam with other musicians as a rhythm section of myself on drums and Larry on bass. Larry and I liked many of the same groups. We both had an special affinity for the music of Van Halen. When I read the news of his illness a few minutes months ago, I sent him a quick message to let him know he was on my mind and in my prayers. When I saw the news online of his passing, I was truly saddened by the loss of my friend. He was definitely one of the good ones!*

“ *I'm sorry for your loss. I worked with Larry way back when at Kmart for several years. He always had a smile on his face whenever I was around him. Gone too soon for sure. Thoughts and prayers for your family.*
