“ *"Eternal life doesn't start when we die and go to Heaven. It starts the moment we are born again. Part of eternal life is walking in all God has for us." Rabbi Jason Sobel. It begins with the adoration of God ... the very Word that was in the beginning had become flesh in the form of Jesus; the subjection to His will, asking petitions of Him, and praising Him. (See also 2 Timothy 2:11-13). Well done, Larry ... on earth and now in Heaven.*
