“ I've known Leah since we were young kids growing up in the same town of Falls City. She could always make me laugh. We connected on Facebook a few years ago and she would send me a personal message every now and then. I'm in shock to hear of her passing. My heart and prayers go out to her family during this difficult time. Rest in peace Leah. You'll be greatly missed. 💜

I remember Leah, as well. She was always happy go lucky and friendly to everyone. She would have been a great Greeter at Walmart. My thoughts and prayers for all.

“ Leah lived on 29th Street when we moved into the property almost directly across the street in 1986. I remember she went windsailing almost every chance she could. She was really nice and we visited on the sidewalk or in the street often. It was a shock to read she had passed. My condolences to the family.
