“ *Charles and family, Jim and I (Blanche from Weight Watchers) want to share our compassion with you and our sympathy for Linda's death. Recently, we would see Linda most often in Walmart, shopping, usually with one of her daughter's. Linda was always cheerful and usually had a funny story about what was happening in her life. Before that, we saw her frequently at the Senior Center when she met there with her Bible Study group.*

*We had a good time working together at Weight Watchers-she was avid about keeping her weight off, as am I! Always sharing tips and what worked for us. I will never forget the time she was leading one of our meetings when we had a Center on 11th St. An unusual odor occurred in the meeting room and Linda casually walked over and opened an outside door to provide some fresh air, all the time including the fresh air into her topic. We helpers were bursting with laughter which we had to hold inside so as not to interrupt the meeting.*

*You all were blessed to have her in your life!*

“ My sweetest memories are set in Modesto, California, when the Sparks and Gable relatives got together around the table to celebrate Thanksgiving and Christmas. Seeing Linda and C.R. surrounded by their many children was always inspirational. Linda was an amazing mother--a true angel here on Earth. We all loved her very much.
