“ *Many thoughts and prayers to all of the family at this time of loss. May it help to know that even tho he is no longer here and he no longer has to suffer in pain he will never be gone. He will always be with you. There will be little signs now and then to let you know he will always be watching over all of you. Your grand kids will be able to go outside on a clear night and pick out the brightest star and that will be him looking down on all of you. Keep all the memories and good times close.*
