“ *Although I didn't know Lori well, I remember her from Kearney High School, she was a grade below me. It's always sad to see someone you remember years ago being so young and vibrant and now still being in the same age group as myself pass away. It looks like Lori left a wonderful legacy even though she passed way too young My condolences to the family.*

“ *Please accept my sincere condolences for the loss of your loved one, Lori. It breaks our hearts when death separates us from the ones we love so much especially when they are as young as Lori. The Bible reminds us that God sees our pain and sadness and has promised that soon, "death will be swallowed up forever."(Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again.(John 6:40) Until then, I hope the beautiful memories of Lori and these promises from God comfort you in the days to come.*
