“ To the family and friends, I'm sorry for your loss. We went to school together and then lived as neighbors out there on Cottonmill road. It was nice connecting with her at Walmart after all these years.

“ *Pastor and family,*

Our hearts ache for you in your sudden loss of your wife and mother. Lovita was a good friend with a kind smile and a warm consideration for others which the women who came to the early Friday morning Bible study all those years at Concordia so appreciated.

In the midst of sorrow we also rejoice with the angels in heaven as they welcomed home another of God's children. Our thoughts and prayers are with you.

“ *Pastor and family,*

I cannot help but think of the loss of Carmen and how her age was similar at death as Lovita's. So I know the big hole that you must feel in your lives now. Remember all the good times and good things about her time with you. God knows how you are hurting and He loves you. We are all in His hands. Rick Rausch
