“ *Lucy was a wonderful lady. I got to know her as a neighbor while I was growing up north of Kearney. As Bob passed away, she in a way "adopted" us young Rochford kids next door, and as a result we "adopted" her too. Rest in peace, Lucy.*

“ *Lucy was our next door neighbor most of childhood along with her husband, Bob. She was a very special lady and spent lots of time with me. She especially would get a kick out of our ice skating in the ditches during ice winter days. We've always stayed in contact. She had a wonderful love for life and for dance, even though she outlasted many a dancing partner. Hope she is filling her dance card now on the other side!*
