“ *Maggie and Swede and family were such a huge part of our lives growing up! I have so many many memories of Maggie and her kind, easy way of dealing with all the children, hers our not! She was always so willing to listen and taught best by example. One of the best memories was of getting together and making horseradish at the farm, using the old washer to clean it well! I love you all and pray for comfort during these difficult times.*

“ I am so sorry for your loss.
I really enjoyed the time I spent with Linda at the farm one year. Margaret and Linda were making curtains for the kitchen. Mr Riessland was busy with calving. I came along to make a baby blanket over the weekend.
I have never felt confident with my crocheting. Margaret asked to see this work , I was reluctant as I shared that I may not have pulled the stitches as tight. She looked at the blanket and said that it looked as good as anyone she knew that made baby blankets. I can not tell you how good that made me feel.
Upon returning home I never worried about my blankets not being as good as someone else. What an experience for me at that time. I will carry you all in my thoughts and prayers this next weeks to come.
