“ *I am so sorry for your loss, Mary Ann was such a good person. I had the pleasure of being friends with Ed and Mary Ann back in the 1980s. I worked with Ed at Gering Fort Laramie and then with Mary Ann for a short while. I lived two blocks from them and would walk over in the evening and have a beer with them. She will be missed.*

“ Mary Ann called me last week and was bright and cheerful..Her calls always made me happy as we would recall good times of our childhood and of golfing together in later years. She was upbeat and happy about her place to live and family close by. Several times she warned me that she had an annuyrism that could burst and take her life quickly.
She and I became the last of the Elson generation. I will miss her cheerful calls and remember her lovingly. I'm thinking tenderly of her family. Joan Wetzel Corvallis Oregon
