Matt was a driven, compassionate Physical Therapist! He was determined to help people get well and stay that way. He was also a great storyteller and kept people enthused about fishing, gardening, canoeing, and just the great outdoors. He enjoyed his opportunity to travel with Mary and would come tell us all about it. He will be missed - Alpha Rehabilitation Staff and Friends -

Matt was a great friend and always made sure we had cherries, grapes, green beans, "miracle beans" for our garden. He was generous with us both with gardening and friendship. He was so excited to share! He would brag about Mary's cooking, bring us her recipes and tell us about their travels and his kids and grandkids. He was so proud of you all. Remember the good times - he'd want that. Jeff and Audrey Walmsley

I am so sorry to learn of Matt's passing. He was a friend in high school, played in my dad's little league baseball team, the Cardinals and always visited with me whenever I saw him. The last time I saw him was when he was in town for his mom's funeral. I had no idea he was so sick. I will keep you in my thoughts and prayers. 🙏🙏. Lori Ostergard Clymer

Wonderful physical therapist! He got me through knee replacement, he was so kind, and I loved his stories and sense of humor. He told about his family and loved his grandkids. He will be missed.
