“ *He was a very good friend to my family he was family to us my son that has autism when Mike was able to drive he would come over to pick him up and be gone for a hour or more he would take my son to lunch my son really don't have emotions but when he found out that Mike passed away he cried but we do have something of mikes and that's he's blue truck I bought it from him cause he said he wouldn't sell it to no one but me I will miss him a lot he always made me laugh he would always mess with me plus I took care of him I would clean he's house go shopping for him anything he needed I helped him but I do want to get ahold of he's family cause we have stuff here of his he wanted us to hold it for him so if the family sees this can you please call me my number is 402-363-1890 and my name is Lynette Songster Mike was like my big brother we were always helping each other out I love and miss him so very much R.I.P and we will see each other again*

Lynette Songster - August 26, 2022 at 10:00 AM

Lynette,

Since you commented about Mike I wanted to ask you a question. I was stationed in Denver with a Michael Mattingly in 1972 with the Marine Corps. He was from Nebraska. Do you know if Mike was there in Denver? I was just telling my wife about him and how much I liked him. I decided to Google his name and discovered his obituary. PM me at Stu Livensparger on FB.
