“ *Dear Bolin Family, I am sorry for your loss. She was an amazing lady. I saw the obituary in the Kearney Hub and cannot let it pass without asking you about genealogy. My husband's great-grandmother was Sarah Washburn, Bolin, Bader, Blackburn, Bristol. We had connections with the Gibbon and Kearney area. If anyone in your family is interested in genealogy, I would love to visit with them. Sarah's first husband was Bolin from Indiana, I believe. Her second husband was Wm Bader and they lived in Sparks (by Valentine). Sarah came to Kearney when she married Blackburn. After he died she went back to Sparks and married Bristol. Yes, I married a Bader, whose roots are Kearney and Doniphan. Again, please accept my sincere sympathy. What a beautiful lady.*

“ *Nancy was an essential part of helping us recruit participants for research related to agriculture exposures and lung disease. I met her thru Dr. Susanna Von Essen and admired Nancy's enthusiasm for life and willingness to help others. She was a remarkable woman who has touched many lives. Thinking of you all in this time of loss.*
