Neva Joann Danielson was born on April 14, 1926 on the family homestead near Bertrand in Phelps County to Henry and Martha Antolena (Jorges) Holscher. Neva was baptized on May 16, 1926 at St. Paul's Lutheran Church in Bertrand and was later confirmed there on May 28, 1939. Her confirmation verse was Revelation 2:10. Neva attended District 22 country school and graduated from Bertrand High School with the Class of 1943. Neva taught at rural schools during the next five years.

On November 27, 1949, Neva was united in marriage to Milton Danielson at St. Paul's Lutheran Church in Bertrand. They resided on the family farm northeast of Holdrege Nebraska where Neva was active in life on the farm. Neva worked part-time at the Hested's Variety Store in Holdrege until it closed and later at the Coast to Coast store for several years in the same building. She enjoyed assisting customers and the friendships formed over the years.

In 1992, Neva and Milton purchased a home in Kearney Nebraska upon retirement from farming. They transferred their membership from St. Paul's in Bertrand to Holy Cross Lutheran Church where Neva especially enjoyed Bible Study and the Quilters Ministry. Milton passed away on February 7, 1999 after 49 years of marriage. Neva attended the Peterson Activity Center regularly and participated in pinochle card groups with friends.

She enjoyed reading, embroidery, music, word puzzles, staying current with news events and watching the football games of her favorite teams.

Family and faith were very important to Neva and Milton. They were always there to support the family in any way and at special events. Neva was always cheerful and focused on the good things in life. She treasured the phone calls and visits with family. She was blessed to remain in her own home until recent days with the assistance of family, neighbors and special friend, Todd Kollars.

“ *Aunt Neva was not only my godmother but second mother throughout the years. Laughed & reminisced over many phone calls about family and football. She was always there for me. Always had a positive answer to any questions. You are truly missed and certainly loved beyond measure. Spent usually 2 weeks every summer the her & Milton. Our Sat. nights were to go to Holdrege or Kearney shopping. Then we would sit in the car & "people watch". Many memories & each one a treasure. Rojean*
