“ *Norma was the best mom I could have asked for. She always made every Holiday & Birthday a special one for me and our entire family. Spending many hours baking & decorating Birthday cakes for me and before every Christmas she spent many hours baking dozens of different kinds of cookies and numerous hours decorating our entire house! She loved watching the Nebraska Husker games. If we weren't in Lincoln attending the game, we would be home watching it on TV and listening to her cheer them on, as we enjoyed all the wonderful food she would prepare for us to eat. She had a very kind and giving heart as well. She enjoyed volunteering her time to help our community. We enjoyed many family vacations traveling all over the country every summer. I had a wonderful time when she and my Dad, Leroy, came to visit me in Santa Fe, NM. We were up at the crack of dawn to go see the Albuquerque Hot Air Balloon Fiesta, where we watched over 800 Hot Air Balloons in the beautiful clear blue skies of New Mexico. I have many fond memories growing up that I will cherish and never forget. I know how losing my brother Mitch broke your heart and I know you are happy in heaven with him now. I love you and miss you very much Mom.*

Love You Always,

Cynthia Lammers
