“ A memory I have with Pablo is one night after Quentin’s graduation we all went cruising it was me rainie Quentin and Michael and we went with you cruising for a celebration of Quentin we had gotten pulled over but that’s okay cause it was worth it lol it was fun cause we were all together the whole pack was together. I remember you saying crap when you got pulled over and then you laughed nothing bad happened after we just went back to cruising and spending time with eachother cause that’s all you wanted was some time with your family. We all miss you so much and will never forget how caring and loving and passionate you were. You were such a beautiful soul to me and many more you were my special person and I’ll never forget you. I’m just happy that I always told you how much you really meant to me and you knew it you were beyond loved by me. I love you to infinity and beyond that was our saying for eachother or Te am mi amor was. Rip love til we meet again your little smurf
