“ *So sorry to hear of Patrick passing away.
Like any Son.Husband..Brother..Friend..my heart goes out to you all
losing someone that is so dear to you all.
The comfort you must feel is the fact that Patrick felt loved by you
all..and even stranger's like myself that followed his story..and
battling with his weight..which I too can relate to Patrick as we both
have in common.May the thought of all the love Patrick had for you
all and the love that you had for him in his short life keep you close
to each other's hearts..till the day you all meet again xxxxxxxxxxxx*

“ *Im so sorry for your loss.*

I had the opportunity of teaching Patrick at Kearney High School. He was in my history class and he so loved hearing the stories of the American Revolution and many others. His eyes would light up!

I had not seen Patrick in many, many years and hearing of his passing brought back memories of teaching Patrick. My prayers are with Patricks family.
