“ *I am so sorry for your great loss. Pearl was truly a treasure, not just by name but by her life well lived. I had the blessing of working with her and Al at the family store way back in the seventies. I have treasured those memories of her kind ways and gentle smile. I think of those days every time I see orange slices (candy) and chocolate covered peanuts! May God keep you all in his perfect peace.

“ *So very saddened to hear of Pearl's passing. Her loving, compassionate and accepting nature made all of us feel like we were truly special and the world is most definitely a better place because she was in it. So very blessed to have known and learned from Pearl... a life well lived and so much love shared. She was indeed womanly always and discouraged never... there truly was no discordant note! I will making a donation in her name to either the church or KVFD. Much love to all of you... truly wish I could be there today, please know I am there in spirit.*
