“ My husband Terry & I were long time friends with Phil & Sandy. We had fun watching our children grow up together. Shared so many great times and bad ones. Phil was such a strong man. Sandy did such a remarkable job through the years. I'll always have memories of our late night cycle rides, going out for breakfast at dawn!

“ I am sorry to hear about Phil’s passing...
Phil and I became friends in the fourth grade and have been friends ever since! There were 24 kids in that class and Phil and I were the only boys..... Phil taught me how to survive in that overwhelming situation! When Phil and I would get together, which was not too often because I live in California, we would reminisce about all the crazy things we used to do. Looking forward to seeing Phil in heaven one day!!!

I am very saddened with the news of Phil's death. He and Sandy made a wonderful couple. I can remember working in the Ideal Cafe in Junior High and Phil would sometimes come in at lunch time. Love all of the family.
