So sorry for your loss. I went to school with Randy in Pleasanton and we graduated together. My second connection was Sherry's exhusband is my first cousin. I always said, of the 14 in our class, I was related to 8 or 9 somehow. Blessings as you move forward.

“ *I worked at St. Francis hospital when Randy worked there and always enjoyed being around him. He was so good with our patients and a very skilled lab tech. I was so thrilled when I seen him at one of our grand children's events in Kearney about a couple of years ago. Thoughts and prayers for his family!*
