He spent many years working for Butch's Repair in Sumner as a mechanic. He decided to venture out on his own and opened B&L Auto Repair. After some health issues, he decided to close shop and worked at the local co-op for a few years. Bob's continuing health issues forced him to leave his job at the co-op. Bob's heart to serve had become a reality with his concession trailer and he told his love of God when the name of the business was discussed. In 2019 Bob was also diagnosed with MDS (Leukemia) but he didn't let that stop him from his dream of smoking meat. He enjoyed camping, fishing, BBQ and serving others.
