“ *Your Dad was such a kind and patient teacher. He had our class for two semesters at KSTC back in 1969. We met at 7:30 a.m. twice a week and lab on Fridays for organic & inorganic chemistry. Im sure it wasnt easy teaching a bunch of future home economic teachers but he got us through it with perseverance and dignity. He was a special teacher and a true gentleman. Our sincere sympathy to your family.*

“ My deepest sympathy to the Colling family. We were so lucky to have Coach Colling as a teacher & coach at Shelby High School many years ago. He challenged his students while taking the time to know each one personally. Coach Colling was the epitome of a great teacher & he will be missed by many.

“ Bob will be remembered as a wonderful neighbor and friend. We will always remember his joking and great sense of humor. All of you are in our thoughts and prayers. May your memories bring you comfort and may the knowledge that he has "won the race" bring you peace.
