“ *If it wasn't for Rozella and Bill teaching dance lessons in Kearney, I would have never met my husband of ten years. Paul and I met at their dance lessons at the Elks club in Kearney, and later dated and married. I also took line dance lessons from Rozella and enjoyed getting to know them better. I can still hear her saying quick ball change, and coaster step. Line dancing will never be the same!!*

“ *My favorite memory of Rosella is all the line dances that she could remember. I loved doing line dances and learning new ones and she never forgot the steps to any of the many, many that she knew. Our deepest sympathy to you and your family.

“ *We extend our sympathy to your family. Rosella was a great line dance teacher, and was very patient with us as we both have two left feet. We cherish the memories we shared with Rosella and Bill at all the dances. No doubt Rosella is dancing in heaven.

“ My deepest sympathy to the family of Rosella Meier! I had the pleasure of playing volleyball for Coach from 1981-1985. We had some very talented girls during my years at KSC! I just appreciate her never giving up on me! I was a walkon from Norfolk that eventually earned a scholarship! She pushed me to excel and be the best that I could be! I have SO many fond memories that I'll never forget and many friendships I treasure today! Thanks Coach Meier! You will be greatly missed! ❤️😭

“*Rosella, then 'Miss Zimmerman' was the girls 'gym teacher' in Minden for my junior & senior years of high school. Although she wasn't much older than we were, she was definitely 'our leader'. She was kind and gentle, but tough when she had to be. I was happy to see her successes at then-KSC and glad that she was recognized for her contributions to the community. May lots of wonderful memories come to comfort her family, as she was a lady worth remembering.*
