“ *Dear Rod, Andrea and Gene,
Want to offer our condolences to you. We are friends from Ainsworth, and have met Sandra a number of times when we were with the Prestons. We did not have an address for you, so are sending our thoughts and prayers this way.
Sincerely,
Blair and Marilyn Williams, Johnstown, NE*

“ *I have known Sandra ever since I can remember as we both grew up in Franklin and for a while our fathers were in business together. She was a credit to her Blank and Sindt heritage with her years' long service to her church and community. I'm sure she will be sorely missed. I regret I cannot attend the memorial service in Lincoln on August 5. I live in Lincoln but have a prior engagement I need to attend. My sincere sympathies to her family and friends.*

“ To the family of Sandra -

I will be praying for you and thinking of you. Sandra was a talented, compassionate, and generous individual who always took care of others. In honor of the many perfect notes and cards she created, I would like to share this quote with you: "The best kind of people are the ones that come into your life, and make you see the sun where you once saw clouds. The people that believe in you so much, you start to believe in YOU too. The people that love you, simply for being YOU. The once in a lifetime kind of people." With love and gratitude for the opportunity to know and learn from the best, Alicia, Ben, & Family
