“ *Kelly, Tracey, Vince, Johnny, Wayne: I'm sitting here with a broken heart, knowing that each of you are grieving. The world definitely lost an angel. I have soooo many fond memories with you and your parents. Your Mother was like a mother to me. I loved her dearly!!! She also was one of my Mother's first Kearney friends. They worked together at A&W and Sophies and had many laughs together. Your mom was such a joy to be around. She is a huge part of my history and I will never forget her!!!! My mother and she were in treatment together when your mother was getting chemo, back several years ago. My mother had breast cancer and now is in a nursing home with MS. So many parallels in their and our lives. Just too bad it has to end this way. I do not mean "THE END", just end of this chapter. I bless you all and may you have peace in knowing that we will all be together again one day. I love you all!!!!!!!!!!!!!!!!!!!!!!*
