“ *We have many, many fond memories of our classmate and friend. So many stories we can and will share. Many of Scot's grade school and high school classmates will gather Saturday to celebrate his life and morn his passing. Our thoughts are with the family.*

“ *We are given a vehicle to get us through life. When that vehicle no longer travels in route, fortunately the friendships, the love, the laughs, the good times and the memories shared will carry on forever. So many times Scot has been more than a big brother. Scot has been a dear friend that I have been fortunate to trudge this road together with side by side. Though you will be missed in a big way, nothing can ever take away the bond you've made with so many... I love you Scot.*

“ I loved Scot like a brother. We were friends during good times and bad over the last 15 years. He was courageous, stubborn and kind. I am grateful I knew him.

“ Jean & Family:

Scot and I were very close in the St. James days and that single year at Whittier. I remember spending many a night at your house and you dealing with our new combo after Scott got his drums. While 50 years have passed since then, I will always remember his laugh and the reference to, "Tommie tennis shoes" whenever he saw his dad in tennis shoes. (Lyle coached our church league basketball team and a shoe store sponsored us).

“ Jeanne, Randy and family. Ive known Scot for many years. Ive watched the ups and downs. Through it all he has never lost his sense of humor. He has given me some crazy stories to tell about him for his antics. That is what made Scot who he was. He also had a very soft and gentle side when he spoke of Jeanne, Randy or his red head niece. He loved his family without a doubt. His quick wit can not be matched. I will miss him a lot. Good friends like him dont come along every day. God bless all of you during your time of grief.
