“ *We were shocked with news of Kathy and Scott's tragic accident! What a wonderful couple. What a loss. We got to know them when we were superintendents in Minden and Cozad. They were a fun couple to be with and we enjoyed meeting them at administrative meetings and conferences and getting together with them when we moved to Kearney. We were unable to attend their funeral but watched it on line. What a meaningful service. Your comments were very touching. They will missed!*

“ *Brett, Brooke, Heidi, and Maline & Ross Families:*

We are heartbroken with the loss of Scott and Kathy in this tragic accident. Our thoughts and prayers are with you during this difficult time. While Scott was superintendent at Minden Public Schools, I was the Director of Gifted Education at ESU #11 and Tammy was a 2nd grade teacher at Minden. Scott and Kathy were both very supportive of all programs we worked with, but I particularly appreciated their support of the ESU#11 Summer Honors Program over the years. Scott and Kathy touched many lives and we are all a lot better off today as a result. They will be missed by all.

“ *Heidi, Brooke and Brett*

We are so sorry for the loss of your parents. Our hearts go out to you. I was your Dad's superintendent during his first principalship in Geneva, NE. He was a great principal! Your Mom, too, fit right into the community and played an active role in your Dad's success. Elenore and I enjoyed them so much. May your faith, friends and family help fill the void that they left. We know they are in good hands now and all of you are, too, because they raised you well! GOD BLESS.

“ Scott coached at Gibbon with my dad, Fred Reed. I remember my mom picking Kathy up to carpool to away games with us. To me as a little 10 year old girl they were “Ken & Barbie”. I got my first teaching job out of college in Elkhorn (1985) when Scott was a principal at EHS. He was a hero, mentor, and such a fun person! Kathy was always a woman of grace , and kindness. They made a difference in every community they lived. They will be greatly missed by many!

“ Kathy and I were on same floor in the dorm our freshman year. I was also a baton twirler. Something I think her kids and grandkids should know was her rare ability to take a nap and hold her contacts between her thumbs and forefingers. This was the old days of hard contacts. They were both treasures and am so sorry for your loss.

“Brad and I were so saddened to hear of the passing of Scott and Kathy Maline. Most people know that the four of us shared a chapter of life together in Litchfield while running the school. Of course, much of the leadership fell to Scott and Brad, but Kathy and I were right there—supporting, helping, and walking through those trying times together.

I'll never forget one particular call in the middle of the turmoil. Scott simply asked me, "Tina, how are you doing?" That memory still brings tears to my eyes, because it showed how deeply he cared, even when carrying his own burdens.

Kathy and I stayed in touch off and on through the years, and though it's been a long time since we last spoke, I'll always cherish her kindness and strength. Their love for their children and grandchildren was evident in every conversation—they were truly a picture-perfect family, even as they faced their own hardships.

Scott and Kathy were lifelong educators—steadfast, resilient, and admirable. Leadership in education is not an easy path; I saw firsthand how rough it can be. Yet Scott carried it with grace, and Kathy stood faithfully beside him.

Our hearts and prayers are with their family. May the memory of their love and legacy bring comfort in the days ahead.

“ Joann and I are heartbroken over this terrible accident. Scott and his siblings were my cousins and we spent many fun times at family reunions and vacations to Uncle Don and Aunt Isabel's cabin in Colorado. Over the years we were separated by distance and family responsibilities, but always kept in touch. We loved stopping by and seeing Scott and Kathy while being in Nebraska and their visit to our home in Oregon. I know they are now resting in peace in our Savior's home. May God bless the Maline family. ❤️❤️🙏🙏

“ Scott and Kathy lived in Chapel Hill and were members of Peace Presbyterian Church when they lived in Elkhorn. We were deeply saddened to hear of their fatal accident. My wife, Joyce, also taught in the Elkhorn Schools. I grew up on a farm near Lexington, and Cozad was a rivalry, so we had many things in common. We watched our kids grow up with theirs. Our prayers are with Heidi, Brook, and Brett.

I first met Dr. Maline when I took a school law course at UNK several years ago. He was a great story teller who was able to bring important lessons (regarding boring content) to life! I never forgot what he taught us. Later on, our paths crossed as we were both members of the Nebraska Schoolmaster's Club. He was such an affable guy who was respected by all of his peers. May God give your family peace knowing he and Kathy are together in the eternal afterlife.

*Heidi, Brett, and Brook and all of the Maline family, I hope you can feel the comfort of all the prayers going up on your behalf. Your parents were wonderful people, whom (like everyone else), I adored. When Kathy was a para at Park Elementary, she helped our staff develop a special program (called the Transitional Learning Center) for children on the Autism Spectrum. She had the perfect calm, patient, and loving countenance that served children with special needs so perfectly. I will always remember her for how she interacted with few words and many encouraging smiles with our children. She was simply so sweet (and funny)! Both parents served so many families throughout their careers in education, and I am proud to call both of your parents my friends. Lovingly,

Dear Marge, Kent & Maline & Ross Families. My heart is so broken for all of you and as well as mine. My Dad was in business with Kathy's dad, "Ross", Marge was my sister's baton instructor, & so many other family connections over the years from when I was probably 5 years old. We've lost touch over the years, but my memories have not been. I appreciate what the Ross' did for my family over the years and the connections that we made. Continued thoughts, prayers, & hugs across the miles. As difficult as it is, let's celebrate their well lived lives as grateful & faithful servants to our communities.
