“ I went to school with Scott King. He was a couple grades behind me, and then after high school, we hung out with the same group of people and remain friends. He was such a great person. His nickname was “smiley” because he was always smiling and happy. He would help anybody with anything at any time, I know I will miss him and anybody that was lucky enough to meet him in his lifetime, will miss him also! Rest in peace, my friend!

“ *Scott was one of my favorite people in High School. His smile and laugh could warm a person’s heart up. He was so intelligent as well and I always remember thinking I wish I had his smarts! We had our locker next to each other in school. Someone I will deeply miss! So sorry for your loss.*
